

Practice Law. Leave the Rest to Us.

Company Overview

SiteLogistix is a premier provider of litigation support services. Founded by experienced litigators who saw a resounding need for greater quality in the industry, we built a team of world-class eDiscovery experts with deep experience in the law and technology to more efficiently serve the needs of attorneys engaged in complex commercial litigation.

Today, SiteLogistix combines years of legal industry experience and technological expertise with state-of-the-art tools in order to deliver turnkey solutions to law firms and in-house counsel. We strive for excellence in our process, people, and performance and abide by a strict code of ethics and integrity – all of which has helped establish trust with our clients, partners, and the courts.
